## Plan Description

The Bransford plan is a wonderful 4 car garage plan that makes a great addition to any home and adds space for all of your vehicles. It is a single story modern farmhouse garage plan built on a slab foundation. The simple roof line makes this a cost-effective build. The 10 foot wall height gives extra room for a car lift or bigger vehicles. The floor plan has ample room for 4 cars or could be a stand-alone workshop. This is the ultimate space for all your needs.
