Plan Description

If you are looking for an affordable house plan that still includes everything you could need in a home, you found it! The Broomfield plan comes in at just under 1400 sq ft and includes a 2-car garage. A front-covered porch greets guests into the home. The great room includes a built-in entertainment center that is flanked by built-in bookshelves. A corner fireplace warms the great room. The kitchen includes a pantry and ample counter space. A bar separates the kitchen and breakfast area. The master bedroom includes a decorative trayed ceiling and a walk-in closet. The home's 2-car garage accesses the main living space through a convenient mudroom that features a bench and lockers.
