## Plan Description

Don't miss out on modern amenities just because your lot restricts the width of your house. Our Cynthia plan is loaded with features and only has a 16' wide footprint. Inside the home, you'll find great everything you need for a great house. The living room flows perfectly into the eat-in kitchen. You'll find an excellent covered deck off the rear of the main floor.On the second level, you'll find 4 bedrooms. The master bedroom lies under a cathedral ceiling and has access to its own bathroom. On the third floor of this home, you'll find a large family room with a storage closet.
