## Plan Description

Welcome to the Drysdale, where Contemporary and Mediterranean styles come together to create a striking blend of sophistication and function. This impressive structure features a seven-car garage and an expansive loft space, offering endless possibilities—whether you're envisioning a workshop, studio, or private retreat. The exterior showcases a timeless combination of stone and stucco, accented by round columns that add both architectural interest and structural presence. Designed for those who value both form and flexibility, the Drysdale is more than a garage—it's a space that adapts to your lifestyle.
