Plan Description

The Firehorn Pool House is a cute, yet stylish oasis. On the outside is a covered patio area with a built-in grill for all of your entertaining needs. On the inside is a kitchen with a large island for plenty of seating. Across the way is a living space with a built-in fireplace and cabinets. This space has a larger slider door that can be opened to bring the outdoors, in. This pool house is equipped with a bathroom and a bunk room. Windows on most sides helps bring in plenty of natural light during all times of the day. This one is sure to suit all of your needs including a storage/mechanical room accessed from the outside.
