**Plan Description**

If you are looking for curb appeal, look no further than the Houston plan. The exterior screams modern farmhouse with its wrap-around porch and attached barn style garage. Inside, the entryway is flanked by both the dining room and living room and has a 2 story ceiling. Further, into the home, an open kitchen and great room provide a great space for entertaining guests. The kitchen includes a farm sink, an island with a flush snack bar, and a walk-in pantry. The great room is warmed by a beautiful brick fireplace that is flanked by built-in cabinets. A wonderful breakfast area leads to a covered patio that is perfect for outdoor entertainment. On the upper level of this 2 story house, you will find 4 amazing bedrooms. The master suite includes a beautiful master bathroom complete with a walk-in shower, his/her vanities, and a whirlpool tub. Bedroom 2 has its own bathroom while bedrooms 3 and 4 share a convenient jack and jill bath. Back on the main level, the absolutely beautiful barn style 3-car garage includes ample space. It accesses the home through a mudroom, complete with bench, lockers and a coat closet.
