## Plan Description

The Northline pool deck is designed for a 24'-0" diameter above ground swimming pool. Adding a deck around your above ground pool gives you that awesome in-ground pool feeling. This pool deck is a full wrap around above ground pool deck. The wrap around catwalk gives you access all the way around the pool. The offset stairs and landing allows you to use all the deck space for outdoor furniture and entertaining. Check out our other pool deck options for more ideas on what you can add to your outdoor oasis.
