## Plan Description

Introducing the Waylon, a traditional-style 2-car garage plan. Constructed with sturdy materials and attention to detail, it stands as a testament to timeless craftsmanship and practical functionality. The exterior boasts classic architectural elements, with crisp lines and a gabled roof. As you approach, the sturdy doors crafted from solid wood, welcomes you inside. Clad in natural earthy tones, it seamlessly integrates into the neighborhood while retaining its own distinctive charm. Step inside, and you're greeted by a spacious, well-lit interior, designed to accommodate two vehicles comfortably. The concrete floor, resilient and easy to maintain, promises years of service.
