## Plan Description

White Plains artfully combines sleek modern style with the warm, timeless appeal of classic barndominium design. This spacious 1.5-story home features 4 bedrooms, 4 bathrooms, and an impressive 4-car garage, offering ample room for both family living and storage needs. At its core, the open-concept main area invites you in with seamless flow, creating an ideal space for connection and comfort. The kitchen, boasting two oversized islands, is a true showstopper—a dream for both avid entertainers and those who cherish family gatherings. Expansive covered porches at the front and rear extend the living experience outdoors, providing serene settings for relaxation, lively gatherings, or simply soaking in the surrounding views. White Plains is where modern living meets rustic elegance, all wrapped in one stunning design.
