Plan Description

This stunning single-story modern-style house exudes elegance with its dark exterior, combining board and batten siding, sleek stucco finishes, and a durable standing seam metal roof. The small covered entry welcomes you into an open-concept living space that seamlessly connects the great room, kitchen, and dining areas, perfect for entertaining and family gatherings. The kitchen features a large walk-in pantry, providing ample storage and functionality. A versatile flex room offers the ideal space for a home office, playroom, or exercise area, catering to your lifestyle needs. The home includes three bedrooms, thoughtfully designed for privacy and comfort. The master suite is a tranquil retreat, set apart from the other two bedrooms, and features a spacious walk-in closet and a luxurious en-suite bathroom. Outdoor living is enhanced with a rear covered porch, ideal for relaxing or entertaining in any weather. A side-load three-car garage adds curb appeal and practicality, providing plenty of space for vehicles and storage. This modern home combines style, comfort, and functionality in a single-level design.
